

## Family match

Read four descriptions of different families. Can you match the descriptions with the right pictures?

<p><b>1</b> My family is quite big. I've got two brothers and one sister. My brother Euan is older than me. He's 14. My other brother Dan is younger than me. He's 8. My sister is younger than me too. She's called Stella and she's 5. We live with our mum and dad and our grandma. My grandma is 66.</p>	<p><b>2</b> I live with my mum and dad. I've got an older brother – he's called Malik - but he is at university and he doesn't live with us now. My aunt and uncle live near us and we visit them a lot. I've got three cousins. I play with my cousins after school and at the weekends. We have great fun!</p>	<p><b>3</b> I live with my mum, and we do lots of things together. Some weekends I stay with my dad and my stepmum, Lisa. Lisa has got a son – he's my stepbrother. He's younger than me. Jane and my dad have had a new baby so I've got a new baby brother. I love playing with him!</p>	<p><b>4</b> Hi, I'm Calice. I live with my mum and my twin sisters. They're only six years old but they're very noisy. I've got three grandparents. One grandmother lives in our street and she visits us all the time. My other grandparents visit us in the holidays.</p>
