

## Collections

Look at my collection!  
Stickers everywhere  
This one's of a penguin  
That one's of a bear  
Here's a red tomato  
With funny wobbly eyes.  
I've got lots of stickers  
In every different size!

Look at my collection!  
Postcards on my wall  
This one's from Australia  
That one's from Nepal  
Here's one from my aunt that  
She sent from Singapore.  
Even though I've got lots  
I'd like to get some more!

Look at my collection!  
Key rings on a chain  
This one's like a football  
That one is from Spain  
Here's a plastic spider  
Good for scaring Dad.  
I don't have any keys but  
That doesn't make me sad!

## Poems

Look at my collection!  
I love cuddly toys  
This one is my teddy  
That one makes a noise  
Here's a birthday dragon  
My mother bought last year.  
I can't see my bed but  
I'm glad my toys are near!

Look at my collection!  
Magnets on the fridge  
This one's from a funfair  
That one's of London Bridge  
Here's one of the seaside  
It's from a tiny shop.  
Now the fridge door's heavy  
But I'll never ever stop!
