

Abracadabra

Song

I make two circles, then one more
Touch my nose and then the floor
Here's the first spell we will try
Abracadabra! You will fly!

Just two circles in the air
One down here and one up there
Touch your shoulder, then your shoe
Abracadabra! You turn blue!

I think I know what's going wrong
So chant with me – sing along!
One, two, three, four circles in the air
Abracadabra! You've got no hair!

Let's hold it together, here we go!
Make big circles head to toe
Touch your chin, then your nose
Abracadabra! And your head grows!

Let's try one more time and see
If a spell will work for me
Touch your elbow, then your knee
Abracadabra! You're a bumblebee!

The spells don't work but we're OK
It isn't real, it's only play
We've had some fun with our silly game
Abracadabra! And we're just the same.
