

# The super spy trail

## 1. Match them up!

Draw a line to match the picture and the word.

chicken	chips	ship	shell	thick	ring
---------	-------	------	-------	-------	------

'c' and 'h' together make a different sound, 'ch':  
**crab heart** but **chicken chips**

's' and 'h' together make a different sound, 'sh':  
**sun heart** but **ship shell**

't' and 'h' together make a different sound, 'th':  
**t-shirt heart** but **thick thin**

'n' and 'g' together make a different sound, 'ng':  
**net glasses** but **king ring**

## 2. Find the spelling!

Look at the words. Circle the words with the 'ch', 'sh', 'th' and 'ng' sounds.

chicken	long	glasses	spelling	beach	both
medal	chips	thin	whisper	rush	sun
net	ring	cafe	heart	list	king
crab	watch	ship	queen	t-shirt	code
shop	thick	fun	thing	spy	shell

3. Sound it out!

Join the sounds together to read the words.

Then write the words under the correct sound in the table.

<u>ch</u> -i-p-s	<u>sh</u> -i-p	r-i- <u>ng</u>	r-u- <u>sh</u>	<u>th</u> -i-n
s-p-e-ll-i- <u>ng</u>	<u>th</u> -i-ck	b-ea- <u>ch</u>	<u>sh</u> -e-ll	<u>th</u> -i- <u>ng</u>

'ch' sound	'sh' sound	'th' sound	'ng' sound
chips			

4. Draw a picture!

Read the sentences and draw pictures!

A ship and a shell in a shop!	Chicken and chips on the beach!
The king is writing a long list!	Draw something thick! Draw something thin!
