

DIY pranks to fool your friends!

1. Match them up!

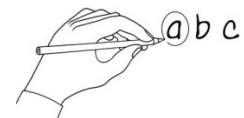

Match the words with the definitions.

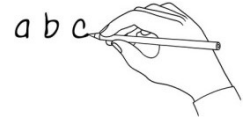

a prank	→	a soft, sweet, fruit-flavoured food that moves a little bit
jelly		not being able to understand something
to set		a funny trick, a practical joke
confused		small insects that people are afraid of or don't like
to be in charge of		to go from liquid to solid
a remote control sensor		to make a high, loud noise when you are scared
creepy-crawlies		the part of the remote control that sends information
to scream		to be in control of or responsible for something

2. True or false?

Watch the video. Circle true or false for these sentences.

- | | | |
|--|---------------------------------------|-----------------------------|
