

Song - The Grand Old Duke of York

Oh the Grand Old Duke of York
 He had ten thousand men
 He marched them up to the top of the hill
 And he marched them down again

And when they were up they were up
 And when they were down they were down
 And when they were only half way up
 They were neither up nor down

Oh the Grand Old Duke of York
 He had ten thousand men
 They tiptoed up to the top of the hill
 To see the dragon in his den

But when the dragon saw them it roared
 When the dragon saw them it roared
 When the dragon saw them it roared so loud
 They came running down again

Run run, don't wait!
 Run run, don't wait!
 Run run as fast as you can
 And can the last one shut the gate?

Ssshhh the Duchess said
 Ssshhh the Duchess said
 The Grand Old Duke and all of his men
 Are hiding in their beds

Oh the Grand Old Duke of York
 He had ten thousand men
 He marched them up to the top of the hill
 And he marched them down again

And when they were up they were up
 And when they were down they were down
 And when they were only half way up
 They were neither up nor down
 And when they were only half way up
 They were neither up nor down
