

Chinese dragon

(You will need a piece of A4 card for the head, some smaller pieces of card, two long strips of card about 10cms wide in different colours, scissors, glue, coloured pencils, paper streamers or ribbons for the tail)

1. Make the dragon's head. Cut out the template. Colour the eyes and the mouth red.

2. Make the dragon's body. Use two long strips of paper in different colours. Glue them together at right angles. Then fold the paper over concertina style to make the body.

3. Put your dragon together. Glue the head onto the body or staple.

Then use long coloured strips of paper as streamers or coloured ribbons for the tail. Glue or staple these onto the other end of your dragon.
