

Make a Christmas tree!

1. Print on card, or stick the tree shapes below onto card. Cut out the two tree shapes and the star. Colour the trees green on the front and back. Colour the star yellow on the front and back. If you want, decorate the tree with glitter!
2. Cut the lines in the centre of each tree carefully, and slot them together. Cut the line in the star and slot in on the top of the tree.
3. Cut out and colour the present boxes. On the back, draw a present for a friend or family member.
4. Make a hole in each present box (ask an adult to help you). Use some ribbon or string to hang your presents on the tree.
