

Have you flown in a plane?

Present perfect - experiences

Have you flown in a plane? Have you been on a hike?
I've travelled in a taxi and I've ridden on a bike.
I've done lots of different things, I've even climbed a tree
But I've never sailed a submarine underneath the sea.

Has your brother played rugby? Has he tried volleyball?
My sister's done gymnastics and she's bounced a basketball.
I've been surfing and canoeing and my sister's learned to ski
But we've never liked them half as much as swimming in the sea.
