

Tam is going to take a trip

Going to - plans

Tam is going to take a trip
 He's going to build a rocket ship
 He's going to fly it to the moon
 He's going to go in the middle of June.

He's going to build it good and strong
 He's going to take some friends along
 Are you going to fly there too?
 You're really going to like the view.

Tam is going to make a plan
 I'm going to help him if I can
 We're going to paint it blue and green
 When I wake up from this great dream.
