Modals – must and mustn’t

1. Match them up!
These are the rules at my school. Read the rules and match them to the pictures.

a. You must be on time.
b. You must listen to the teacher.
c. You mustn’t use your phone in class.
d. You mustn’t run in the corridors.
e. You must do your homework.

We can use ‘must’ to talk about rules. For the negative, we can say ‘must not’ or ‘mustn’t’.
Parents must take care of their children. You mustn’t shout in the library.

2. True or False.
Circle True or False for these sentences.

a. You must pay attention at school. True False
b. You must be quiet in the library. True False
c. You mustn’t wear trainers when you do sport. True False
d. You must shout at the museum. True False
e. You mustn’t run across the road. True False
f. You must look after your pets. True False
g. You mustn’t keep your bedroom tidy. True False

3. Where does it go?
What are some rules for the park? Write them in the correct group.

<table>
<thead>
<tr>
<th>put your rubbish in the bin</th>
<th>ride your bike on the path</th>
<th>pick the flowers</th>
</tr>
</thead>
<tbody>
<tr>
<td>fight with other children</td>
<td>keep dogs under control</td>
<td>go fishing in the lake</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>You must...</th>
<th>You mustn’t...</th>
</tr>
</thead>
<tbody>
<tr>
<td>put your rubbish in the bin</td>
<td></td>
</tr>
</tbody>
</table>

4. Write and draw!
Where do you go that has rules? For example, does your local library, museum or swimming pool have rules? Write the rules for a place and draw a picture!
