

Prepositions of time

1. Read and find.

Find the prepositions and write them in the boxes.

Today is my birthday! I was born **in** 2005, on the 7th of July, at 2 o'clock in the morning! On my birthday I always open my presents at breakfast time. In July we always visit my grandparents and on the last day at midnight my dad lights some fireworks outside – very carefully of course!
