

## 'Will' for future predictions – ANSWERS

### 1. True or False.

Read and circle True or False.

I think the future will be very different. Children won't go to school, they'll have a robot teacher who teaches them at home. People won't drive normal cars, there will be special flying cars. As for me, when I grow up I'll be a vet because I like helping animals, and I won't get married until I'm at least 30!

We can use '**will**' or '**ll**' to talk about the future and make future predictions. For the negative, we can say '**will not**' or '**won't**'.  
I'll live in a big house when I'm older. I **won't** go to school.

### 2. Fill it in!

Children complete the sentences with 'will' or 'won't' depending on what they think.

### 3. Ask your friends!

Children use their own ideas to write four questions about the future. Then they ask their friends and family the questions, and count how many people say yes.

Then they make a chart from the answers, e.g.:

Will children go to school? ✓ X ✓ ✓ ✓ X X ✓ ✓ ✓ = 7

go to school:

--	--	--	--	--	--	--	--	--	--	--

---

#### 4. Write and draw!

Children write about their ideal future, what they think they will be and what life will be like, and draw a picture.
