

LearnEnglish Kids activity diary

Are you home from school and looking for something to do? You can try lots of fun activities and practise your English at the same time on LearnEnglish Kids.

Use this page or copy it into your notebook to record the activities that you did and new words that you learned.

If there's something you're not sure of, or if you have a question, write it down and ask an adult later. Have fun!

Today's date:	What did you do? Write the name of the page here.	What did you learn? Write new words and phrases here.	Do you have any questions you want to ask an adult?	Did you enjoy the activity? Colour the stars!
