

Can a flea climb a tree?

Can a flea climb a tree?
 Yes he can, yes he can
 Can a flea climb a tree?
 Yes he can, can, can.

Can a flea climb a tree?
 Yes he can, yes he can
 Can a flea climb a tree?
 Yes he can, can, can.

He can eat and drink
 He can hear and see
 But can he do the cancan like me?

Can a mouse build a house?
 No he can't, no he can't
 Can a mouse build a house?
 No he can't, can't, can't.

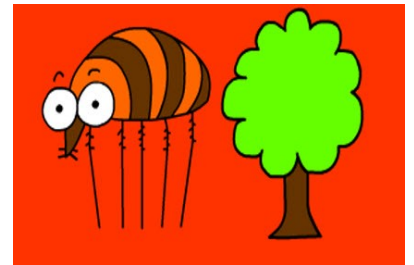

Can a mouse build a house?
 No he can't, no he can't
 Can a mouse build a house?
 No he can't, can't, can't.

He can eat and drink
 He can hear and see
 But can he do the cancan like me?

Can a cat catch a rat?
 Yes he can, yes he can
 Can a cat catch a rat?
 Yes he can, can, can.

Can a cat catch a rat?
 Yes he can, yes he can
 Can a cat catch a rat?
 Yes he can, can, can.

Song

He can eat and drink
He can hear and see
But can he do the cancan like me?

Can a pig dance a jig?
No he can't, no he can't
Can a pig dance a jig?
No he can't, can't, can't.

Can a pig dance a jig?
No he can't, no he can't
Can a pig dance a jig?
No he can't, can't, can't.

He can eat and drink
He can hear and see
But can he do the cancan like me?

Can a snake eat a cake?
Yes he can, yes he can
Can a snake eat a cake?
Yes he can, can, can.

Can a snake eat a cake?
Yes he can, yes he can
Can a snake eat a cake?
Yes he can, can, can.

He can eat and drink
He can hear and see
But can he do the cancan like me?
