

# Do your best

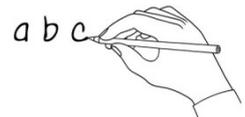

## 1. Match them up!

Draw a line to match the picture and the word.

the sea	a computer	meat	plastic	a tap
litter	planet Earth	recycling	a reusable bottle	brush your teeth

## 2. Where does it go?

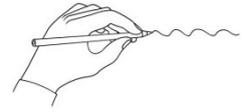

Listen to the song. Write these words and phrases in the correct group.

turn off your TV	use too much plastic	use a reusable bottle
eat too much meat	leave the tap running	recycle

do	don't
turn off your TV	

3. Match them up!

Listen to the song. Match the sentence halves.

Don't use too much plastic

You're doing your very best

Do not leave the tap running

Recycle everything you can

Recycling's not just an obligation,

to save the planet that you love.

at your home and at your school.

cos it can end up in the sea.

recycling's really cool.

as you brush your teeth for bed.

4. Write and draw!

What do you do at home and at school to help save the planet? Draw a picture and write about it!

Large empty box for drawing and writing, with four horizontal dotted lines for writing.
