

## Let's go outside

Come on, Ali, let's go outside.  
Come on, Ali, let's exercise.  
Let's not spend all day inside.  
So come on, Ali, let's go outside.

We play football (we play football!), we play tennis (we play tennis!)

And we run, as fast as we can.  
We do karate (ka-ka-karate!), we do yoga (yoga yoga)  
And we stretch, as far as we can.

We go swimming (we go swimming!), we love diving! (we love diving!)  
And we jump, as high as we can.  
We go skating (we go skating!), we go cycling (we go cycling!)  
Try to ride, as far as we can,  
As far as we can,  
As far as we can.

Come on, Nanu, let's go outside.  
Come on, Nanu, let's exercise.  
Let's not spend all day inside.  
So come on, Nanu, let's go outside.

We play football (we play football!), we play tennis (we play tennis!)  
And we run, as fast as we can.  
We do karate (ka-ka-karate!), we do yoga (yoga yoga)  
And we stretch, as far as we can.

We go swimming (we go swimming!), we love diving! (we love diving!)  
And we jump, as high as we can.  
We go skating (we go skating!), we go cycling (we go cycling!)  
Try to ride, as far as we can,  
As far as we can,  
As far as we can.
