

Monster bop

Max is a monster and he lives on a star
He travels in a spaceship and a little green car
He's got eleven noses on his very big head
His hands and feet are purple and his fingers are red.

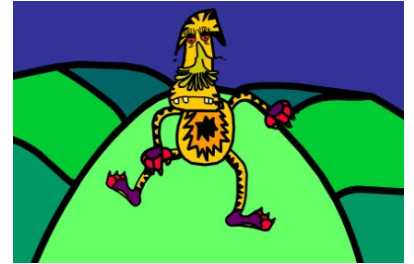

He's a monster, monster, hairy scary monster
Doing the hairy scary monster bop
He's a monster, monster, hairy scary monster
Doing the hairy scary monster bop.

He drinks coca-cola and he eats little boys
He likes jumping up and down and making a noise
He doesn't like bananas and he doesn't like cheese
He never says 'thank you' and he never says 'please'.

He's a monster, monster, hairy scary monster
Doing the hairy scary monster bop
He's a monster, monster, hairy scary monster
Doing the hairy scary monster bop.

He's a monster, monster, hairy scary monster
Doing the hairy scary monster bop
He's a monster, monster, hairy scary monster
Doing the hairy scary monster bop.
