

The ballad of Lisa the lemur

Song

Lisa lived in the rainforest
With all her family
Along came a man with an axe in his hand
And chopped down the family tree.

So they moved to another tree
A long, long way from town
Along came a man with an axe in his hand
And chopped their new tree down.

We all need somewhere to live
We all need somewhere to live
You need a flat, fishes need the sea
Lisa needs a tree.

The rainforest gives us the air that we need
Lots of animals live in the trees
That's what we call ecology
Why are we chopping it down?

We all need somewhere to live
We all need somewhere to live
You need a flat, fishes need the sea
Lisa needs a tree.

So Lisa came into town
With all her family too
There are trees in the park but it closes after dark
And there's no more room at the zoo.

We all need somewhere to live
We all need somewhere to live
You need a flat, bees need a hive
Goats need a mountainside.

We all need somewhere to live
Yeah, we all need somewhere to live
Bears need a cave, fishes need the sea
Lisa needs a tree.
