

One-man band

I'm a one-man band.
Listen to the things that I can do.
I can clap my hands.
I can, I can 'cause I'm a one-man band.

I'm a one-man band.
Listen to the things that I can do.
I can clap my hands. I can stamp my feet.
I can, I can 'cause I'm a one-man band.

I'm a one-man band.
Listen to the things that I can do.
I can clap my hands. I can stamp my feet. I can slap
my thighs.
I can, I can 'cause I'm a one-man band.

I'm a one-man band.
Listen to the things that I can do.
I can clap my hands. I can stamp my feet. I can slap
my thighs. I can pop like a cork.
I can, I can 'cause I'm a one-man band.

I'm a one-man band.
Listen to the things that I can do.
I can clap my hands. I can stamp my feet. I can slap
my thighs. I can pop like a cork. I can blow like a
trumpet.
I can, I can 'cause I'm a one-man band.

I'm a one-man band.
Listen to the things that I can do.
I can clap my hands. I can stamp my feet. I can slap
my thighs. I can pop like a cork. I can blow like a
trumpet.
I can, I can 'cause I'm a one-man band.
I can, I can 'cause I'm a one-man band.
