Get creative!

Children can enjoy using their creativity and speaking English at the same time. Here are our top tips for getting creative with your kids at home.

- Kids love making things.
- Use this as an opportunity to practise English at the same time.
- Why not choose one of the great downloadable craft activities on LearnEnglish Kids to make with your child?
- Give all the instructions in English.
- Older children can read the instructions themselves.
- Some of the activities are demonstrated in a video.
- Our video tip shows you how to make simple puppets at home.
