Top tips

It's never too early for your baby to start listening to English! Here are our top tips for singing songs in English with your baby.

- Start singing in English to your baby right from birth.
- From about 6 months, your child will love fun action songs such as 'The wheels on the bus'.
- Repeat the same songs often.
- First they will join in with the actions and as they get older they will start to sing along.
- It doesn't matter if you are not a great singer - for your baby, your voice is the best that there is!
