

Make an astronaut helmet

1. Match them up!

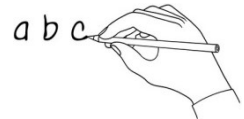

Match the words with the definitions.

- | | | |
|--------------|---|--|
| an astronaut | → | a person who travels in space |
| a spacesuit | | special clothes that you wear when you're outside in space |
| a helmet | | a strong, hard hat that covers the head |
| a plate | | a round, flat object that you eat food from |
| a visor | | the part of a cap or helmet that protects your eyes |
| tinfoil | | shiny, metal paper that you use to cover food |
| a stick | | a thin piece of wood |
| lift-off | | the moment when a spaceship or rocket leaves the ground |

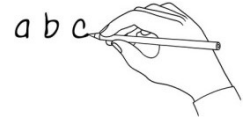

2. Fill it in!

Watch the video. Complete the sentences.

circles	plate	tinfoil	stick	visor	black	Decorate	helmet
---------	-------	---------	-------	-------	-------	----------	--------

- Draw around a plate.
- Draw a rectangle for the _____.
- Cut out the _____ shape.
- Glue strips of _____ to the helmet.
- Glue a strip of _____ card along the bottom.
- Stick on green and red _____ to make the buttons.
- Stick a lollipop _____ onto the back to hold it with.
- _____ your helmet.

3. Where does it go?

Write these words in the correct group.

draw	astronaut	spacesuit	cut
helmet	glue	decorate	lift-off

space	making things
astronaut	

4. Write and draw!

Make an astronaut helmet or imagine one! Draw a picture and write about it.
